

HOLY TRINITY CATHOLIC PRIMARY SCHOOL

Sport Premium Funding Statement 2017/2018

BACKGROUND

The Government continues to aim to secure a significant and lasting legacy from the London 2012 Olympic and Paralympic Games.

In order to achieve this and improve the provision of PE and sport in primary schools, the Government has provided schools with additional funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16, 2016/17 and more recently for 2017/18 an increased further pledge every year until 2020 funded by the so called 'sugar tax'.

Based on 205 eligible pupils Holy Trinity will receive **£18,050** for the academic year **2017/18**.

PURPOSE OF FUNDING

Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

ACCOUNTABILITY

From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding.

Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision. One year on, Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

SPORT PREMIUM AT HOLY TRINITY

After evaluating the positives and less successful elements of the previous year, (once again mainly the cost of swimming) of the 2017/2018 programme where: sports participation across the board increased in clubs and competitions; 100% of our Y6 children moved on to their secondary schools being able to swim at least the required minimum distance of 25m using a recognised stroke; the positive impact of employing a Sports Apprentice (until April) which contributed to extra physical education opportunities, assistance with teams and structured playtime sports activities; and the day and a half of LSSP coaching (plus before and after school clubs) - it has been decided that the Sport Premium funding allocated to the school be spent in the following way in the 2017/18 academic year:

| | | | |
|--------|----------------|--|---------|
| INCOME | <u>£18,050</u> | EXPENDITURE | |
| | | Liverpool School Sport Partnership (LSSP) | £6500 |
| | | Contribution to swimming programme | £2500 |

| | | Total | £18,050 |

We have always been committed to providing children with excellent sporting provision, as demonstrated by our most recent Gamesmark Gold awards. With the added funding, we aim to build on this further, ensuring that each child experiences the full benefits that participation and competitive sport can provide.

An application for the Sainsbury's School Games Mark – **Gold** was submitted in July 2017. There appeared to be a hiccup with the submission of the bid and efforts are being made to confirm the Gold award. Receiving the award would mean three years running and we would look to apply for the platinum award in summer 2018. We are proud of gaining the top award for our efforts in p.e. and sport and will continue to strive to do so.
