School and Home	Here is a list of ideas you can adapt from <i>Come and See</i>	<ol style="list-style-type: none"> 1. Download the topic and highlight where it will be possible for children to work individually and what resources they will have at home. 2. Use the SEN button to find creative work linked to the children's current topic. The activities can be adapted and is a starting point. 3. Use Adapted Scripture from <i>Gods Story to</i> - retell, describe, make links to - this will depend on where the children are up to in their skills and what Scripture to follow. 4. Using <i>Explore</i> - many real life activities can be adapted for homework - such as a questionnaire for family members, comprehension from the story, picture storytelling, make up your own story with the title etc. 5. Highlight sentences - decorate, collage, posters, painting, sketching, writing their own accounts, taking photographs to depict the topic etc.

School and Home	Attachment Prayer Time at home	A huge thank you to Joanne Mitchell (RE lead) and Fr. Tim from Our Lady's Bishop Eton who have shared a home prayer resource as there will be no Masses in our parishes. This leaflet can be adapted to suit your school/parish family - see red print. It could be sent home and/or used at school.
