Dear Parent/Carer

Our school will be introducing a Relationship and Sex Education Programme (RSE) this term. In line with Archdiocese recommendations, we will be using new resources. These resources will supplement RSE work covered throughout the rest of the academic year in RE, Science and PSHE.

A sample of slides which accompany the new resources is available to view on the 'Catholic Life' page on our school website (under R.E. policies). A letter from Archbishop Malcom and the document 'Learning to Love' which gives some context as to why RSE is so important especially in the current climate can also be found on our 'Catholic Life' page. In addition, our Governing Body have approved a policy which is also available to view on the school website – this policy is in accordance with Catholic teaching and consistent with the Catholic mission and ethos of our school.

Resources will be available to view at forthcoming Parents' evenings and Mr Berndt (RE Coordinator) will be holding a RSE Parents' Meeting on Thursday 25th January at 2.30pm in the school hall.

Yours sincerely

H Raley-Williams
